

President & Directors
of the Philad^a Library Co: }
Gentlemen

Philad^a April 20. 1836

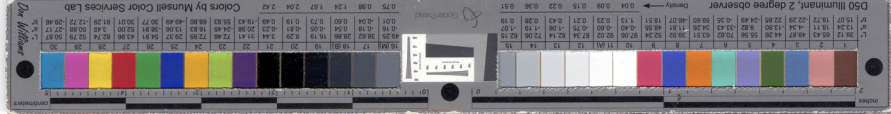

At the last stated meeting of the
Fame Hose Co. I was directed to communicate to you
the subjoined expression of sentiment which was passed
unanimously:

Resolved, "That the President be instructed to
tender to the Philadelphia Library Co: the sincere and
grateful acknowledgements of the Fame Hose Co: for
the free use of their lot of ground which they occupied
for so many years to the great advantage of said Company"

Although our removal from thence was productive of
much mischief to us necessarily, yet I can add my own
testimony as an old member & one intimately acquainted
with its proceedings, that the Fame Hose Co: have always
& I trust will, entertain towards the institution under
your direction the most lively feelings of respect and
affection.

I have the honor
to be Gentlemen Yours &c
