

TIFFEN® Color Control Patches

© The Tiffen Company, 2007

the Side Wall of Messrs Caldwell & Co being some 9 feet
 inches. while the rear wall of the extension
 approaches but 14 feet nearer than formerly, to the
 rear Wall of the Philad Library Building - which
 last named rear Wall is a blank, not having any
 windows by which the Library derives either light or
 air.

The undersigned begs to relate that he has
 made every effort in his power to communicate with
 the directing authorities of the Library Company.
 He has seen the respected Secretary, and one or two of
 the acting Directors, and was advised by them to make
 a petition to the Board of Directors at their next
 meeting - the time being then distant nearly one
 month - and in their private opinion saw no particular
 reason for the permission being withheld.

Influenced by the hope that your honorable
 Body might see fit to grant the required privilege,
 and being anxious to have the Store in readiness
 in order to secure a portion of the Fall Trade, now
 passing - the undersigned began at once, at his
 own risk, to make the alteration previously de-
 scribed - and at this date it is nearly completed,
 affording in its appearance and construction the
 best residence of its description. The undersigned
 begs to assure your Honorable Body that in this pro-
 ceeding, before the meeting of your Board, that he was
 not without the greatest respect for the authority of
 your Company, and that he did not design in the least
