

# TIFFEN® Gray Scale

A color calibration strip featuring a ruler at the top (0 to 19 centimeters) and a grid of color patches below. The patches are labeled: Blue, Cyan, Green, Yellow, Red, Magenta, White, 3/Color, and Black. The 3/Color section contains three patches: a light gray, a medium gray, and a dark gray.

*[Faint, mirrored handwriting is visible on the page, likely bleed-through from the reverse side. The text is illegible due to fading and orientation.]*
