## DAY SCHOOL BELL.

A new Singing Book for Day Schools, called the DAY SCHOOL BELL, is now ready. It contains about 200 pages of choice Songs, Solos, Rounds, Catches, Duets, Trios, Quartettes, and Choruses, many of them written expressly for this work, beside 32 pages of the Elements of Music. The Elements are so easy and progressive, that ordinary teachers will find them entirely successful in instructing even young scholars in the elements of music, and in cultivating a taste for it. The variety of the music is lively, attractive, and non-stirring music and sentiments, that no trouble will be experienced in inducing all beginners to go with zeal in acquiring skill in one of the most health-giving, beauty-improving, happiness-yielding, and order-producing exercises of school life. In simplicity of its Elements, in variety and adaptation of music, and in excellence and number of the songs, it claims to be the best book to be used in all day schools. It is published by Horace Waters, author of "Sabbath School Bells." Nos. 1 and 2, which have had the enormous sale of 500,000 copies in 32 months.
