

Dr. Thomas Parker,

Dear Sir,

I am desirous of printing an Edition
of "Perick's Travels in Canada," N. 1427 ^{in your catalogue} quarto, & as
there is not a copy of it for sale in this city, I
should be thankful to the Library Company to
come me with the volume they possess.

I shall give the Company four copies
of my Edition - & if I can prevail upon the printers
to take care of the original, I shall have it re-
bound.

Will you have the goodness to let me
have an answer as early as may be convenient, &
oblige

Yours &c. Wm. Blewett

Matthew Carey
