

Doct^r Park has consulted his friends - James Read
 & Paulson - Jos. P. Norris - L. Collins - Rob^t. Wald - S. W. Fisher -
 Rich^d. Wistar & Jas. Gibson - on the application of Mary - and
 they all agree with him that it will be proper to grant
 the request on the usual terms - viz^t - To let M. Carey have
 the copy of Herriot's Travels in Canada now belonging to the
 Library - on his engaging to give the Company Three Copies
 (Bound) of the Edition he intends to print, immediately after
 it is published; & an English Copy, similar in size & qua-
 -lity to that about to be loaned to him, as soon as it can be ob-
 -tained from England - & as the Plates in the Quarto Edition will
 be useful to M. Carey - the Directors, would wish to retain them.
 to elucidate the American Edition, until an English Copy is
 again procured -

The Librarian will be so good as to communicate the
 above to M. Carey immediately - & if he engages to comply with
 the Terms - deliver him the Book to enable him to commence
 the work without any delay
