Redwood Fisher wishes much to have from the Philadel-
Library, Aikens Chemical dictionary, in two volumes
quarta with permission to use it as the basis of a
new-work he is about to publish entitled the Amer-
Artists manual. If the directors shall be pleased to
him have this work he will cheerfully furnish them
with 3 copies of his work when completed
and a copy of Aiken as soon as it can be procured

agreed to on the above terms Mr Fisher being yesterday
made acquainted with the desire of the board that
no time be lost in replacing the work with a new
copy similar to that bound here & the copies of the
Feb 7/11 manual to be well bound
