

Doy let town June 5th 1859

Dear Sir

I send by my son my acc^t of
rent due Log. Seb Co for the year 1859
The tenants have not all paid but I
advance the money trusting to get it
some time soon. None on the list have
paid after R. E. Ely, and one ~~had~~ J.
Parsons) is in arrears 3 years & which
I have advanced -

I rec^d a letter some time since from Mr
Williams your Company's counsel in
relation to the adjustment of the ground
rent for the next Term of 100 years in
which he proposed that the tenants
should select an Agent to agree upon
the Appraisers for the rent for next term

I have seen some of them and they
still appear to be anxious to redeem
the rent by paying down a stipulated
sum. They also desire to know
whether your desire is to fix ~~up~~
