

the amount of the rent at this time
or merely to agree upon the appraising
as the Term does not expire until
the 1st of March 1861 it would not
be worth while to agree upon the
rent at this time (as some of them
might die) unless it was intended
to fix upon the rent for the
next Term — I expect to be in
the City in a week or two & will
call & see you —

Mr Williams also desired me to
send him the amount of the
apportionment and valuation of the
land as returned to the Com^{rs}

The Apportionments have not made
their returns for the present
year but will do so in a few
days when I will procure the
same from the County Com^{rs}
Office — Be so good as to inform
Mr Williams of this
