At the meeting on Thursday week,
it was again suggested that it would
be advisable for the Committee to pre-
sume a legal opinion as to the mode
of procedure & the difficulties attending
in the matter in order to enable them
to come to a conclusion as to the
expediency of making a sale to any
-ell- Mr. McClellan's name was dis-
-gusted. It was left for the Committee
to act in the matter if they deemed
it proper with the expectation that
you would consult with the coun-
cil & convey your own views.

I am very sorry to find that you
have not been able to come to the
city yet & now write to know what
you think had better be done.

Very truly
