Doylestown Feb. 14. 1856

Dear Sir

I shall be in receipt of funds for the yearly ground rent due this Spring out of which I will deduct the expenses of the deeds &c.

You spoke about an Act of Assembly being necessary to enable the Lib. Co to convey their Interest to the Tenants upon a compromise with them. I think it would be better for both parties to have it done

Yrs respt
W. E. DuBois
