tracted by the fore well. to
fewer than so called Regal in-
vestments. As to the 9d Rent
owned by members of the Wash-
ton family. I have another

Dear Abbot,

I have just received

of July 5. It is indeed a misfortune about the Bibles, but I suppose it had lived its life. I quite approve of your forming what is necessary to replace it, from the Logansian, at present in funds from the Colonization of the Bibles Co.

Ed-Rents.

There is a man named George A. Wilson, in Richmond St. - about 21st whom I have known for more than 20 years. His business is with dealers and churches

P.S. - I expect to be here in 1899
 the trouble in our September
 is as about I expect, and where
 we both (my wife and I) desire
 to share in our blood to help
 you, in sharing respectively, as in
 assuming it is far as I can
 fit

It might be worth your while
to call him up by telephone
George Wilson Co. and ask
him to look at the bills
It may be he could give
you something that would be
cheaper and better - He
is entirely trustworthy, and
has often given me advice
against his immediate interest
which has saved me money.

As to investing other
funds I suppose you might
as well wait till October
Yours sincerely
J-H-Turner

PS - I expect C to have no objections
