

Dear Sir

On the list of Assessments
I sent you a few days since an error
was made in R. E. Elys property.

The property was not assessed in
his name but in that of his tenant the
Miller whose name I did not then
know but have since ascertained
to be John Vandegrift. It is assessed
at \$3400. about 40 per acre

The property I gave to you as
assessed at 30 was another in that
Township

Basing your estimate at the
assessed value what would you
make the increase?

L. P. Smith Esq

Yrs truly
C. E. Dubois
