| James Weeden      | 1.3.2. .     |                                         | 200.   |
| John Coats        | 113. -       | 30 per acre 881. -                      | 3,390  |
| A. J. Beaumont    | 321. 3.21.50 | per acre + Mill at 500.00               | 16.050 |
| Ab. Ely See notes | 87.25.30     | per acre should be 110                  | 2,600  |

Above you will find the assessments of the several properties

far as I can get them from the Books. They are the same as already  
given to you with the exception of some small lots I did not know of  
Some are assessed by the acre & some in the aggregate as you see -

Yrs truly  
C. E. Dubois
