I secured from the Department of State, at Harrisburg, a photostatic copy of the Act as it appears, in Poughand, in L.B. IV at page 311. The photostat was not of the "enrolled bill" (i.e. the original act) but of a Poughand copy thereof. Most but ^{not all} some of the ^{various} ~~errors~~ ^{noted} ~~typed~~ above appear ^{also} in the Act as ~~it~~ printed at page 223 of Volume XIV of Statutes at Large of Pennsylvania, 1682-1801, as published by the State Printer in 1909.
