

To John Penn Esquire Lieutenant Governor of the
Province of Pennsylvania; and Counties of Newcastle, Kent
& Sussex upon Delaware.

The Addressees of the Directors of the Union Library
Company of Philadelphia.

May it please the Governor!

To the general Expressions of Joy on thy safe
Arrival & Accession to the Government of Pennsylvania
We the Directors of the Union Library Company of Phila-
delphia, think it our Duty to add our unfeign'd and
respectfull Congratulations.

We render them with the greater Pleasure, as
it is to a Branch of that worthy Family, from whose
Wisdom are deriv'd, the many constitutional Advantages
which this Province enjoys, beyond any other, within
our Knowledge.

We presume to hope, as publick Libraries are
of singular Use to the Community, that the one we are
appointed to the Care of, which is founded on the same
Plan as that of the other incorporated Company of this
City, will share thy Patronage & Protection.

We sincerely wish, that thy Administration
may be as happy, as every Endeavour that we can con-
tribute to make it so, will be chearfull, within the
narrow Sphere of our Concernments. —

Sign'd by Order of the Directors,

George Dillwyn Secretary
