

BROOKS'
MILITARY AND TRAVELLING
WRITING CASE,
WEIGHING BUT EIGHT OUNCES.
(PATENT APPLIED FOR.)

The lightest, most compact, serviceable, and the cheapest in the market. Military men and the press commend it in the highest terms.

It contains a neat Tray, with Ink Stand, Envelopes, Pens, Holder, &c. Also, a Folio with two pockets, Blotting Pad to write upon, Checker Board, Paper, &c., all enclosed in a neat, flexible case, with elastics. Size, when rolled up, $8\frac{1}{2}$ inches long, $1\frac{3}{4}$ in diameter.

WRITING, WORK, & TOILET CASE COMBINED,
ALL WEIGHING BUT TEN OUNCES.

Being the same article with the addition of apartments for and furnished with Scissors, Tooth Brush, Thimble, Buttons, Tweezer, Comb, white and black Thread, Yarn, Silk, Pins, various sizes of Needles, Court Plaster, &c., all ingeniously fitted into the tray, so as not to interfere with the writing case, and so secured that no article will fall out when the folio is unrolled.

Put up for the Trade in beautiful white, red and blue boxes, with Show Card and Circulars.
