

THE ROLLS OF HONOR.

NOTICE TO VOLUNTEERS.

All Pennsylvania Volunteers mustered into the service of the United States from the commencement of the war, are entitled to have their names inscribed on the Rolls of Honor to be deposited in Independence Hall.

The Committee to arrange the Rolls, preparatory to their engraving in the parchment books, have prepared the necessary blanks for delivery to regimental officers, captains of companies, and officers recruiting for old regiments now in the field, who are requested to have them filled and returned to the Committee as soon as practicable.

The Rolls will contain the name, age, birthplace, residence, occupation and term of enlistment of every officer and private, with the letter of the company and the number of the regiment in which he enlists. A large number of the volunteers have families dependent upon them, to whom it may be the duty of the public to extend such aid hereafter as circumstances require. In every case, therefore, where the soldier leaves a wife and children, or either, the fact will be noted, and the number and sexes of his children entered on the Roll, together with the range of their ages.

If a soldier dies, or is wounded in the service, or is honorably or otherwise discharged, the fact, as it may hereafter appear from the official report, will be entered on the Rolls opposite his name.

The Rolls are intended to present a faithful record of the career of every volunteer from Pennsylvania during his term of service; and it is hoped that regimental and line officers will facilitate the object, and that the name of no man who serves his country in the present war will be omitted from its history.

The blanks will be delivered on application at the rooms of the Board of Trade, No. 505 Chestnut street, on and after Thursday, the 28th of August, 1862.
