

OFFICE OF THE GREAT CENTRAL FAIR

FOR THE SANITARY COMMISSION

My Dear Sir

April 19 1864

The Com. on Toys & ~~Jewelry~~ Small Wares Com-
plain that Miss Doll is collecting Toys and the
Com. on Millinery complain that she is collecting
Jewelry Goods from the Milliners.

They are quite willing that she should obtain from
all, labor income & revenue but submit that
taking in kind is destructive to the Common interest.

It appears to me that we must do all that we can
to keep our diligent Workers in good heart & that the
closer we keep to our respective spheres the better.
I state all these occurrences as the best proof of the
diligence of my coworkers & only beg them all to
keep the best interest of the Fair at heart

Very truly
J. W. Welch
