Wilmington, Apr 23 1864.

My dear Sir

Yours of 20. is recd. I would be very glad to have some of the cards referred to in your letter.

I would be happy to see you at Wilmington; - I fear however that I must be at Dover during the coming week.

I may be in Philad. to-morrow (Sunday) at the Washington House. If you have no objection to a quiet talk about the matter you will find me at that place about noon.

Very truly yours,

Saml. M. Harrington Esq. -
Chairman &c,
