
T H O U G H T S

O N

G O V E R N M E N T, &c.

My dear Sir,

IF I was equal to the task of forming a plan for the government of a colony, I should be flattered with your request, and very happy to comply with it; because as the divine science of politicks is the science of social happiness, and the blessings of society depend entirely on the constitutions of government, which are generally institutions that last for many generations, there can be no employment more agreeable to a benevolent mind, than a research after the best.
