

ing. And we will, that the same Charter shall be sent under our Seal, as well to our Justices of the Forest as to others, and to all Sheriffs of Shires, and to all our other Officers, and to all our Cities throughout the Realm, together with our Writs, in the which it shall be contained, that We cause the aforesaid Charters to be published, and to declare to the People that we have confirmed them in all Points, and that our Justices, Sheriffs, Mayors, and other Ministers, which under us have the Laws of our Land to guide, shall allow the same Charters pleaded before them in Judgment in all their Points, that is to wit, the *Great Charter* as the Common Law, and the Charter of the Forest for the Wealth of the Realm.

AND we Will, that if any Judgment be given from henceforth contrary to the Points of the Charters aforesaid, by the Justices, or by any other our Ministers that hold Plea before them, against the Points of the Charters, it shall be undone, and holden for nought.
