

T O

Dr. M E A D.

S I R,

 O intrude in this manner upon your time, so usefully employed in the social duties of your profession, would expose me in some measure to blame, were it upon a less important occasion than that of recommending the following work to your generous protection. The dignity of the subject, which, handled by other pens, has been thought worthy of being inscribed to the most illustrious personages of the last and present

A 2 age,
