Of the First BOOK of

P O L I T I C A L D I S C O U R S E S .

| | |
|---|---------|
| <i>T H E Author's Dedication,</i> | Page ix |
| <i>His Introduction,</i> | xii |
| Chap. I. <i>Concerning the Origin of Cities in general, and that of Rome in particular,</i> | I |
| Chap. II. <i>Concerning the different sorts of Government, and especially that of Rome,</i> | 5 |
| Chap. III. <i>To what accidents it was owing that Tribunes of the People were created at Rome; and how they contributed to make that Commonwealth more perfect,</i> | 10 |
| Chap. IV. <i>The dissensions betwixt the Patricians and Plebeians made the Roman Commonwealth more powerful and free,</i> | 11 |
| Chap. V. <i>Whether it is safer to trust the guardianship of Liberty in the hands of the Nobility, or the Commonalty: and whether those that only desire to maintain what they have, or those that want to usurp more, are the most likely to excite commotions in a state,</i> | 14 |
| Chap. VI. <i>Whether such a form of Government could have been established at Rome, as would have prevented animosities betwixt the Senate and the People,</i> | 18 |
| Chap. VII. <i>How necessary it is for the preservation of Liberty in a Commonwealth that any Criminal may be freely accused, with impunity to the Accuser,</i> | 23 |
| Chap. VIII. <i>That Calumnies are as pernicious, as legal Accusations are serviceable, to a Commonwealth,</i> | 26 |
| | Chap. |
