

- Chap. XLVII. *That a good Citizen ought to forget private injuries,
when the public good requires it,* Page 376
- Chap. XLVIII. *When an Enemy seems guilty of any remarkable error,
it ought at first to be suspected as an artifice,* 377
- Chap. XLIX. *That a Republic ought frequently to make new Laws and
provisions for the preservation of its Liberties: and how Fabius ob-
tained the name of Maximus,* 378
