went down to the wharves. It was
 a short distance there we saw our
 boat, "Ostarara". After waiting an hour
 we put off into Lake Erie.
 The weather was very warm. We had
 two outside staterooms, the three men
 in one, and the
 three women

and could see out through the port-
hole, ~~at~~ the lights and the dock.

Had breakfast and then got out at
Detroit, ^{Mich.} at 8.00. The boys taking a
sight seeing bus to Belle Isle Park and
the rest of us ~~to~~ going to shop and see
what we could of Detroit from street
cars and fifth ave. buses.
The boys told us afterwards that there
was a man on the bus pointing out
the objects of ^{interest} ~~attention~~ and that he
would say, "This gentlemen is the
great Municipal High School of Detroit,"
etc. till they almost
split laughing.
We rode around a
little and bought
a dress and two
waists and on the
way back stopped
