

Westtown, Pa.

Feb 22, 1931.

Dear Wandering Wife,

To think of you speaking in
a masterful tone - "Ein Tasse
wasser, bitte, aber halt, sehr
halt, nicht war." and then
soon to be talking French with
the Frenchmen and Russian
with the Russians and Spanish
etc - or whatever you will be
doing. When you get to Paris
give my best regards to the
saint, on the left I think,
with his head in his hand
