

Italy - a beautiful night - music

L. 2.

Bend down

Peanut gallery seats in a most romantic theater surrounded by canals. The populace's display of Italian enthusiasm. Snatches of the audite hummed by lyric Italian voices as we walked home thru dark, narrow streets, lights reflected in black water of canals. Gondolas parked for the night.

Kept from Hollers chocolate
appears to remind
me of the flowers
in the sunny
south
of
France
