

SWAIM'S CELEBRATED PANACEA,

For the Cure of Incipient Consumption, Scrofula, General Debility, White Swelling, Rheumatism, Diseases of the Liver and Skin, and all Diseases arising from Impurities of the Blood, and the Effects of Mercury.

It is recommended in Diseases where the Lungs are supposed to be affected, also where the constitution is broken down by the use of Mercury; and in all cases where Syrups or Extracts of Sarsaparilla, and many of the new preparations made in imitation of the Panacea, are now prescribed.

SWAIM'S PANACEA

Has been for more than thirty-two years celebrated in this country and in Europe for its extraordinary cures—for the certificates of which reference is made to the directions and books (which may be had gratis) accompanying the Panacea; some of which give the particulars of cases too frightful for general publication, where the patients had been almost eaten up with Scrofula, and were deemed incurable by Physicians.

It has been used in hospitals and private practice, and has had the singular fortune of being recommended by the most celebrated Physicians and other eminent persons. Among others by—

W. GIBSON, M. D., Professor of Surgery, Pennsylvania University.

VALENTINE MOTT, M. D., Professor of Surgery, New York University.

W. P. DEWEES, M. D., Professor of Midwifery, Pennsylvania University.

N. CHAPMAN, M. D., Professor of Physic, Pennsylvania University.

T. PARKE, M. D., President College of Physicians, Philadelphia.

Dr. DEL VALLO, Professor of Medicine, Havana.

JOSE EOURENCO DE LUZ, Professor of Surgery, Lisbon.

J. CHIPMAN, Member Royal College Surgeons, London.

G. W. ERVING, late Minister to Spain.

SIR THOMAS PEARSON, Major General British Army.

GILBERT ROBERTSON, British Consul, &c., &c.

And also, the wonderful cures effected by SWAIM'S PANACEA have for many years made it an invaluable remedy. The Panacea does not contain mercury in any form, and being an innocent preparation, it may be given to the most tender infant.

The retail price has been reduced to \$1.50 per bottle, (containing three half pints) or three bottles for \$4.
