PREMIUM
ESSENCE OF COFFEE.

One package, at 12½ cents, will save four pounds of coffee. Thousands of families, not only of the poorer, but also of the most genteel and rich, and many of the first physicians of this city, and of other places, witness that Coffee made with this "ESSENCE" is much more wholesome, more delicate, finer flavored, perfectly clear, and in every instance better than the best Java Coffee.

SILVER MEDAL AND PREMIUM.

This "ESSENCE" was awarded a **SILVER MEDAL**, by the American Institute, New York; also a **PREMIUM** by the Franklin Institute, Philadelphia, in 1851—in both Institutes, the highest Premium awarded for such articles.

See the Certificates, in our Circulars, of **DRS. BOOTH and CHILTON**, two of the first practical chemists in the United States; also of several other prominent chemists.
