

Drawn by G. Harding.

ITALY. THE BAY OF NAPLES.

Engraved by J. G. Smith.

NAPOLIS Y EL VESUVIO.

This little emblem of respect,
I give, my youthful friend, to thee;
Treat not its motto with neglect:
It is remember me.

Tho' years on speedy pinions roll,
And I in distant chimes may be,
Let Memory's sweets thy thoughts controul,
And fondly then - Remember me.

H. C. M.
