It will be seen from the above that the income of the Library Company has been materially increased by the rental of the Old building on Fifth St. for a term of years to the Central News Company for $4000.— per annum, which, after deduction of taxes, yields the sum of $3000.—

The condition of the Loganian and Ridgway Trusts is also satisfactory. The income derived from the ~~former~~ latter has received during the past year a notable accession in consequence of the death of one of the annuitants under the will of Dr. Rush.

The following is the record, kept by the Librarian, of the number of visitors to the Library and readers during the last twelve months
