

A general defect than entered
the church - remarks in a construction
of the will - passed by the Committee of the church
and his flock - that was more than the previous
the liquor can be spent for ^(arranging) for the church
whether any money for the ^(arranging) can be spent
for the church - The church ^(arranging) an amendment
most difficult an amendment - that
the law in accepting a report when the building is done
steps King - in opposition to the church
amendment and in support of the view that it
is necessary to accept a report at the time as before
the building is completed -

The House - against acceptance - and also the
point that Black has passed the resolution
I enclose you herewith.

Very Respectfully - that the whole question is not
a ~~revised~~ question in the building - and
that the will witness, directing that all the place
shall be spent in the building only funds the same
out and funds that we have ~~there~~
we will have to spend -

The House - ~~House~~ - in support of the church
has resolution -

The House ^(arranging) the ^(arranging) and ^(arranging)
in the church resolution and it is
left negative -

Agree the Philip resolution - The resolution
was referred to the committee by the Chairman
