

Librarian's Report August

Mr. Abbott, the Assistant in Charge of the Ridgway Branch some time ago adopted a system of card indexing, by which the name of the person who has out a particular book can be ascertained. It worked so well, that he has introduced it into the 5th St. Library, where it works very successfully.

The Ridgway Branch was closed on the 5th ult. for 1 month. During the first half of the month there were 219 visitors, 57 readers who consulted 224 books and 42 were taken out.

The total number of visitors at the Phil. Library in July 5061 being an average of 1944 a day.
