

I have not been able to see
him today and cannot say what
he has done or will do, but un-
less he does help us I do not
think we shall be able to collect
the money to buy your building. He
has tried hard, but most of
our subscriptions are in sums
of \$100.00, and these take so long to
count up the required figure. Up
to the present time, exclusive of
our building fund of \$16,000.00, we
have not reached \$10,000.00, leaving
nearly half of the price of the
building to be collected. Still, if
Mr. Childs interests himself actively
in the matter he can without
great effort raise the sum; but
we alone I fear, cannot. I am
as firmly convinced today as I
was six months ago that the
building would be just what we
need, and am greatly disappointed
at the indifference of some of those
to whom I made application for
subscriptions, but for time has not
come we must wait. Respectfully yours
Henry J. Carter
