Report to Com: on Ridgway Branch

Morton Shaw having left the service of the Library at the Locust St Building I have transferred Paul Gaster from the Ridgway Branch to Locust St, subject to the approbation of the Committee. If that is granted, there will be a vacancy at the Ridgway Branch for an enand boy. To meet the emergency I have taken temporarily Chas McPath the Janitor's son at \$3. - a week.

During the recess the Ridgway Building & Books have been thoroughly cleaned, the desks & tables covered with leather and the large table in the main hall painted to correspond with the other furniture
