Report to Committee on R. Branch

The Cash Balance of the Ridgway Branch
as per last Report was 2,545.93
Recd from Clifford Lewis Agent 2,700.00 5,245.93
Dep Orders to be drawn today 2,344.50
Leaving a Cash Balance of \$ 2,901.43

I beg to refer to last month's Report in regard to the necessity of making the joints around the cornice water tight. The Janitor estimates the cost at \$70.00. The late rain has shown the importance of these repairs. In addition, the Janitor reports that there is a small leak in the roof. He recommends that the roof be repainted in certain places where it is scaling off. The only estimate he has yet rec^d is for \$115.00.
