

Gent.ⁿ

We have the pleasure of
informing you, that the Philosophical Society
have appointed us as a committee to confer
with the ^{Directors} ~~Trustees~~ of the ^{Philadelphia} ~~American~~ Library
respecting a joint application to the
Legislature, for an object which we conceive
will essentially promote the advantage of
both societies.

We doubt not but you will
second the views of the Society, by the
appointment of a committee to confer
with us, to give (if approved of) immediate
effect to the plan. It being an object of
great importance to profit of the present
favourable disposition of the Legislature
to promote the advancement of knowledge.

The probability of an early
adjournment of the Assembly, has led the
Philosophical Society, to empower us to
call them together when necessary; perhaps
there would be no impropriety in investing
your committee with similar power -
The success of the application upon it
being speedily made; we are with esteem
