Benjamin Franklin's Epitaph, wrote by himself.

*The Body of
Ben Franklin Printers.*

Like the Cover of an old Book

It's Contents worn out

And stripp'd of its Lettering & Gilding

Lies here Food for the Worms

Yet the Work shall not be lost

For it will, as he believ'd, appear once more

In a new & more beautiful Edition

Corrected & Amended

By the Author.

He was born June 6th 1706.

Died — Apr. 17th. 1790. — aged near 84 years

August 1st. 1789.
