Dear Sir:-

I am sending you extracts taken from our Minutes referring to Peter Collinson. I am also sending you a copy of a pamphlet of mine which will give you a short account of this Library, the Library to which Peter Collinson was so attached.

There are a number of printed books referring to P.C. in our Library but as they are also in the British Museum, I did not think it worth while to send you a memorandum of them. I hope what we are sending you may be of some little use.

I beg to return your cheque as the Library makes no charge for such information as we have been able to furnish.

Yours very truly,

Librarian & Treasurer
