My dear Mr Child

Accept from your friend
a few Photographs & Stereoscope
views I hope Mrs Peterson will
be pleased with the latter,
the former are the work of
a young native artist. I
do not send them for their
intrinsic value, but as
beautiful studies and highly
artistic, I have written to
J.B. Read and have inquired
about the Dallas Portent and
what you have suggested to
me in relation to it, trusting
this may find you and the
Peterson's in good health

I remain your most truly
Friend

Edw J. Reed
